Glosec Group Marks 10 Years of Successful Business in Kenya

'Glosec's branch in Kenya celebrated its 10-year anniversary and newly opened offices with honorable guests from the Embassy of Kenya, partners, colleagues and friends.

Amsterdam, Netherlands (2016) - [Glosec Group](#) recently announced the 10-year anniversary of its Kenya branch and celebrated the occasion with more than 200 partners from the largest companies in Kenya: Betts Townseed, Equity Bank, Garden City, GT Bank, Knight frank, KCB Bank, Lordship Africa, Norkun Limited, Pullman, Waterfront, Allied Utilities, Laxman, Loadline and many others.

The event was held in the newly opened offices of 'Glosec Kenya' in Nairobi, with the presence of many distinguished guests such as **Ambassador Jackeline L. Yonga**, Director, Middle East Directorate in the Ministry of Foreign Affairs of the Republic of Kenya, who represented **The Honorable Amb. (DR.) Amina C. Mohamed, EGH, CAV** Cabinet Secretary, Ministry of Foreign Affairs and International Trade. Other distinguished guests included the **Honorable Amb. Simon Nabukwesi**, Director Foreign Service Academy and **Mr. Giovanni Matrone** from the Italian Embassy.

Noah Emuna, CEO of Glosec offices in Kenya stated: "I'm pleased to see many longtime friends and colleagues, as well as existing and potential partners. It has been a great and fulfilling business journey here in Kenya. I am thankful for our accomplishments; they wouldn't have happened without your commitment and cooperation. I am looking forward to our mutual business collaborations in the years to come."

Ariel Adoram, the managing Director of Glosec Group for more than 21 years and the active chairman of all the Subsidiary companies owned by Glosec worldwide, who is responsible for many great accomplishments of the group, noted: "We are celebrating 10 fantastic years of success in Kenya providing security solutions dedicated to specific sectors. Glosec Kenya initially started with UN projects, which led to many new projects in varied areas such as: Kenya Pipeline Company, Trans global Cargo Center (Kenyatta International Airport), KCB Headquarters & Bank, Equity Bank Kenya, Mombasa Port, Garden City mall, Westgate mall and many more. We are excited to be celebrating it in our new offices along with more than 60 employees of Glosec. About a year ago we launched a new division of Solar & Energy, under the name SPI (Solar Power & Infrastructure), a joint venture of Achils Group & Glosec. We are totally committed to Kenya and are thrilled to be launching a new division of solar energy. We have a great 10-year record behind us and we are looking forward to the ones ahead."

After the speeches by the managing directors of Glosec & Ambassador Jackeline L. Yonga, the cutting of the cake and a toast to great success, the guests enjoyed a live performance by the singer Gilad Millo, who sang a few of his hits, including Unajua and Sema Milele.

About Glosec

Glosec is a global leader in design supply, installation, integration and commissioning of security systems, solar & energy, and electrical & mechanical systems.

Founded in 1971 with headquarters in the Netherlands, the company serves West Europe out of its Amsterdam office, East Europe out of Bucharest & Belgrade offices, and Africa out of Nairobi & Addis Ababa offices.

Glosec Security Division

Glosec has over 40 years of experience in implementing a range of projects such as border protection systems, military bases, defense agencies, safe cities, airports, seaports, railway terminals, correctional facilities, public buildings, etc.

The common ground for all our projects is the ability to define the Concept of Operation through flawless execution of the project and continued training and support over the years. This unique composite of professional skills and in-depth knowledge allows us to provide boundless solutions precisely tailored to specific customer needs.
